

Hello Coaches and Administrators!

The Green County Officials Association (GCOA) is pleased to provide officiating coverage for your varsity, sub-varsity, and junior high schedules for the 2026 football season.

Below, you will find a series of tables outlining the game fees for each level of play covered by GCOA. The association believes these fees represent a fair and equitable rate based on current market conditions and are consistent with other officiating associations across the state. Please note that for the 2026 season, fees for both 11-man varsity and 8-man varsity contests reflect a slight increase.

We look forward to a great 2026 season!

Dale Gilstrap
GCOA President
